

Brine Leas School

An Academy

Believe • Learn • Succeed

July 2024

Dear Parents and Carers,

Canteen Closure

We are excited to announce that our much overdue dining and kitchen project is finally getting underway next week. This project is being funded mainly by Cheshire East Local Authority.

Unfortunately, this requires us to close the kitchen early on Tuesday 9th July 2024, to ensure that we have sufficient time to complete the project during the summer and be ready for a full service when we re-open in September.

We would like to apologise for any inconvenience this may cause but can assure you that our catering contractor, Aramark, will still be providing a limited cold-food offer for the final two weeks of this term from Wednesday 10th to Wednesday 24th July 2024.

This will consist of sandwiches, drinks, yoghurts, fruit, crisps and biscuits and the Sixth Form Costa Coffee Shop service will be unaffected.

The canteen extension will provide an outstanding facility for all our students to use all year round and will provide a much faster food service in future, whilst reducing queuing time for students at break and lunchtime therefore we are confident it will be worth the short-term inconvenience.

We are really looking forward to seeing the improvement to this part of school and your understanding on this matter is very much appreciated.

Kind regards,

Mrs K Brookes
Business Manager
