

The Cornovii Trust Safeguarding Ambassadors

Safeguarding Ambassadors from Brine Leas School, Weston Primary, Audlem St James and Alsager Highfields Primary met up this week to collaborate on some rules for online safety.

They discussed the 4 Cs of online activity - content, contact, conduct and commerce.

They then identified and agreed upon 10 rules for young people to keep everyone safe online. These rules will be shared within each school.

The meeting saw some thought-provoking conversations and impactful teamwork. The ambassadors are looking forward to more opportunities to work together across the trust later in the year.

It was a really productive day, many thanks to all involved.

Richard Middlebrook
