

Brine Leas School

An Academy

Believe, Learn, Succeed

February 2018

Dear Applicant,

Thank you for expressing an interest in the advertised post at Brine Leas School.

I am fortunate to be a Headteacher in a lively and vibrant school and the list below gives you a flavour of the place:

- We are an Academy;
- We are a Specialist College of Technology and Languages;
- Against a national and local backdrop of falling rolls the school is full, oversubscribed and expected to remain so;
- Our Sixth Form (BL6) has healthy numbers of students in Year 13 and Year 12 is virtually full;
- Significant building work, completed in 2014, resulting in a new Science Lab, remodelled rear entrance, improved teaching spaces and new school frontage;
- A strong, vibrant House System
- Results are good and have been for a long time.

I have enclosed the following useful information should you choose to apply:

- **Job description**
- **Person Specification**
- **Know Your School Booklet**
- **Application Procedure**
- **An application form**

We are a Multi Academy Trust and other schools are set to join; as such there may be opportunities for career development, should you be successful with your application and you wish to progress within your role.

If after reading the above, you believe that you possess the abilities and competences to suit the post, I hope you will apply. Please fully complete the enclosed application form and write a letter of application, of no more than 1500 words, which should outline why you think you are the right person for this post. I do not wish you to send me a Curriculum Vitae; this is not part of the selection process. I look forward to receiving your application.

Yours sincerely
