

Brine Leas School

An Academy

Believe, Learn, Succeed

July 2017

Dear Applicant,

Thank you for expressing an interest in the advertised post at Brine Leas School.

I am fortunate to be a Headteacher in a lively and vibrant school and the list below gives you a flavour of the place:

- We are a Specialist College of Technology and Languages;
- Against a national and local backdrop of falling rolls the school is full, oversubscribed and expected to remain so;
- The school was judged to be Good with Outstanding features and BL6 Outstanding by the recent OFSTED inspection in April 2017;
- Our BL6 block has healthy numbers of students in Year 13 and Year 12 is virtually full.
- A new 8 classroom teaching block, the 'D Block' was completed (D stands for Diamond) in 2012;
- 2012 IQM report and 2014 IIP reports rated us highly.
- Significant building work, completed in 2014, resulting in a new Science Lab, remodelled rear entrance, improved teaching spaces and new school frontage.
- Examination results are really, really good and have been sustained over a long period of time.

I have enclosed the following useful information should you choose to apply:
